2020 Printed Directory

Our 2020 directories are ready for use. Unfortunately, we are not able to utilize our normal distribution channel of monthly lunch programs due to COVID-19 restrictions. Please click on this link and let us know if you would like your directory mailed to you or delivered to your office or home (accompanied with a surprise from the board). Alternatively, you will be able to pick up your directory at our next in-person program.

SpangleR The Carolinas' Fastest Growing WaterDamage Expert

Re-opening Buildings

Potable Water –

*Stagnant water and biofilm

*Turning all faucets on and off every 2-3 days

*Check water systems … filtrations systems, water heaters, ice machines, etc.

*Building heat load – can create issues of high humidity and mold
