Education

- Bachelor of Science degree in Criminal Justice
University of El Paso (El Paso TX)

Certifications

- Certified Information Security Manager (CISM)
- Certified Protection Professional (CPP)

Art F. Fierro has over 30 years of experience in corporate and government global security. Art joined Allied Universal after having held CSO and executive corporate security leadership positions in various global multinational corporations, including 20th Century Fox, International Paper, Resilient Integrated Systems and SI Risk.

In addition, he had a distinguished 21-year career as Supervisory Special Agent with the FBI, which included managing teams in violent crime, white-collar fraud, information technology breaches, crisis management, national security investigations and counterintelligence operations.

Art holds a Bachelor of Science degree in Criminal Justice from the University of El Paso. He is a Certified Information Security Manager (CISM) (Cert.# 1843377), and a Certified Protection Professional (CPP) (Cert.# 15086).

Art has expertise in Critical Incident Management, Business Continuity, Threat Management, Physical Security, and Investigative Programs, Security Business Analysis, and Enterprise Security Risk Management Strategy.
